## Activity 2: Health & Safety 101 safety quiz

The Workplace Safety and Insurance Board's Health and Safety 101 website provides interactive learning about job safety that's perfect for teens getting ready for the world of work. This test has been developed as an independent learning exercise for Grade 7 to 10 students preparing for a school field trip, volunteering or their first paid job.

### Getting started

Photocopy and hand out the quiz, which is on the four pages following page 173. It provides instructions for your students. They are asked to go to the [www.hs101.ca](http://www.hs101.ca) website, review the study material and take the quiz, which includes 34 questions and one bonus question.

Each question has only one correct answer. The marking scheme is up to you!

A list of the correct answers begins on this page.
