

What would you do?

Look at the pictures and read the question below each one. When you have an answer, write "yes" or "no" beside the number for each picture. Why did you decide "yes, it's safe" or "no, I need to stop and ask"?

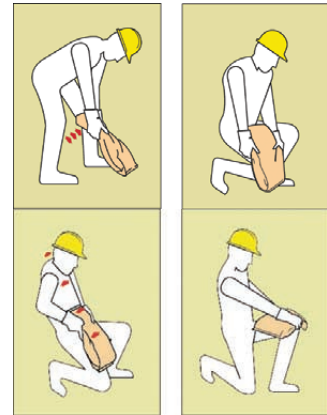

1

Would you climb this ladder?

Would you carry these boxes?

3

Would you lift a bag this way?

4

Would you use this saw?

Would you walk through this puddle?

6

Would you use this machine without training?

7

Would you stand on this chair?

Hazard Communication Training

9

Would you attend training?

8

Would you pick up this needle?

10

Would you wash hands after handling chemicals?
